4TH TO 11TH June, Tallin, Estonia.

ILCA Conditions: Must become 17 years or older in 2010, i.e. born 1993 or earlier.

- **The ladder as it stands at the end of the Spring Qualifiers 2010**
- **Final overall Qualifier placings count (not individual race scores)**
- **Two discards from the six counting scores, or one discard if 5 or less. No discard if only 2.**
- **Must have registered intention to enter on ILCA web site**
- **No entries accepted after the date of qualification**

2009 STANDARD YOUTH EUROPEANS

17th to 24th July, Gdynia, Poland.

ILCA Conditions: Must become 17 years old but not 21 years old in 2010, i.e. born 1990 – 1993.

Eligible Sailors' age will be entered on the results sheet to enable clarification.

A separate Laser Standard 'Youth' Ladder will be produced consisting of 4 events which will include the 3 Spring Qualifiers 2010 and the RYA Volvo UK Youth National Championships 2010 (mandatory). The overall individual qualifier finishing positions will be used to contribute to the Laser standard Youth ladder overall ranking, i.e. the youth results will not be extracted or rescored from the main ladder.

- **Places will be allocated to the highest ranked sailors from the Youth ladder as it stands at the end of the Spring Qualifiers 2010.**
- **The Laser standard youth ladder will be compiled by adding together the final overall position at the RYA Volvo UK Youth National Championships 2010 (which is mandatory) and the best two overall qualifier finishing positions results, if all three qualifiers are sailed. If less than 3 qualifiers are sailed the series will be scored counting the final results from the RYA Volvo UK Youth National Championships and trials and all qualifiers.**
- **Final overall Qualifier placings count (not individual race scores)**
- **Must have registered intention to enter on ILCA web site.**
- **No entries accepted after the date of qualification.**
