Explanatory Notes:

1. The venues have been chosen taking account of the questionnaire given out this Spring. However all the 'Centres of Excellence', i.e. Mountbatten, Hayling Island, Pwllheli and Weymouth will be considerably more expensive. The compensation is that, **with the exception of Hayling Island where overnight parking is forbidden**, they have room for camper vans and there should be free parking.
2. Spring Qualifier dates are to fit in between RYA Youth Nationals and Princess Sophia and Hyere Olympic Week and not go into May after the Bank Holiday to avoid run up to exam period for those in education.
3. Autumn Dates are to avoid the Worlds in September and none of the clubs chosen had free dates at the end of September, hence all three Qualifiers are in October.
