

EC401: 2010 European Laser Standard Men & Radial Women's Championships - Application Deadline 9th February 2010

3rd February 2010

There is now only ONE week left to make applications for the 2010 European Laser Standard Men & Radial Women's Championships in Estonia.

Please can all National Associations ask any of their sailors who may be interested in attending any of these championships to complete the relevant application form on the ILCA website urgently. If possible, please publish this information on your website and send an email to any sailors from your country that meet the age criteria for each championship.

Sailors who do not apply by 9th February 2010 have very little chance of attending these championships, except if the district requests a late ranking date and reserves the necessary places and/or requests extra places.

The deadline for receiving applications for entry is 9th February 2010.
